Overview

This survey aims to gather feedback provided by Local Engagement Officers (LEOs) who supported the Aboriginal and Torres Strait Islander community for the ABS Centre of Aboriginal and Torres Strait Islander Statistics (CoATSIS) during the 2021 Census of Population and Housing.

The report has two main purposes:

1. To provide feedback on how the LEO role supported the Aboriginal and Torres Strait Islander organisations and communities, as well as the Aboriginal and Torres Strait Islander Community Field Officers; and

2. To assist CoATSIS in improving our support offered for Aboriginal and Torres Strait Islander communities in the 2026 Census.
